Introduction

This Information Memorandum relates to a debt issuance programme (“**Programme**”) established by Qatar National Bank S.A.Q. (“**Guarantor**”) and QNB Finance Ltd (“**Issuer**”) for the purposes of issuing medium term notes (“**Notes**”) up to a maximum amount of A\$2,000,000,000 (or its equivalent in other currencies and as that amount may be increased from time to time). The Notes will be unconditionally and irrevocably guaranteed (“**Guarantee**”) by the Guarantor.

Neither the Issuer nor the Guarantor is a bank or authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia. The Notes are not guaranteed by the Commonwealth of Australia. Neither the Issuer nor the Guarantor is supervised by the Australian Prudential Regulation Authority. An investment in Notes issued under the Programme will not be covered by the depositor protection provisions in section 13A of the Australian Banking Act and will not be covered by the Australian Government’s bank deposit guarantee (also commonly referred to as the Financial Claims Scheme).

Terms used in this Information Memorandum but not otherwise defined have the meaning given to them in the Conditions (as defined below).

Issuer’s responsibility

This Information Memorandum has been prepared by and issued with the authority of the Guarantor. The Guarantor accepts responsibility for the information contained in this Information Memorandum other than information provided by the Arranger, the Dealers and the Agents (each as defined in the section entitled “Summary of the Programme” below) in relation to their respective names and details set out in the sections entitled “Summary of the Programme” and “Directory” below.

Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes under the Programme in any country including Australia and countries in Europe and Asia but not in the United States of America unless an exemption from the registration requirements under the Securities Act 1933 of the United States of America (as amended) (“**US Securities Act**”) is available.

Terms and conditions of issue

Notes will be issued in series (each a “**Series**”). Each Series may comprise one or more tranches (each a “**Tranche**”) having one or more issue dates and on conditions that are otherwise identical (other than, to the extent relevant, in respect of the issue price, the amount and date of the first payment of interest).

Each issue of Notes will be made pursuant to such documentation as the Issuer may determine. A pricing supplement and/or another supplement to this Information Memorandum (each a “**Pricing Supplement**”) will be issued for each Tranche or Series of Notes. A Pricing Supplement will contain details of the initial aggregate principal amount, issue price, issue date, maturity date, details of interest (if any) payable together with any other terms and conditions not set out in this Information Memorandum that may be applicable to that Tranche or Series of Notes. The applicable terms and conditions (“**Conditions**”) of any Notes will be as set out in the section entitled “Conditions of the Notes” included in this Information Memorandum, as supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

A Pricing Supplement or a supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information set out in or incorporated by reference in this Information Memorandum or a supplement to this Information Memorandum.

The Guarantor may also publish a supplement to this Information Memorandum (or additional information memoranda) which describes the issue of debt instruments (or particular classes of debt instruments) not otherwise described in this Information Memorandum. Potential investors in other debt instruments which may be issued under the Programme should refer to any disclosure document relevant to the issue of those debt instruments.

Title: Entry of the name of the person in the Register in respect of a Note constitutes the obtaining and passing of title and it is conclusive evidence that the person so entered is the absolute owner of the Notes subject to correction for fraud or error. Title to those Notes passes when details of the transfer are entered in the Register.

Notes held in the Austraclear System (as defined below) will be registered in the name of Austraclear Ltd (ABN 94 002 060 773) (“**Austraclear**”). Title to Notes held in a Clearing System (as defined below) will be determined in accordance with the rules and regulations of that Clearing System.

No certificates or other evidence of title will be issued to holders of Notes unless the Issuer determines that certificates should be available or are required by any applicable law or regulation.

Clearing System: Notes may be transacted either within or outside any Clearing System. The Issuer may apply to Austraclear for approval for the Notes to be traded on the settlement system operated by Austraclear (“**Austraclear System**”). Such approval of the Notes by Austraclear is not a recommendation or endorsement by Austraclear of the Notes.

Transactions relating to interests in the Notes may also be carried out through the settlement system operated by Euroclear Bank S.A./N.V. (“**Euroclear**”), the settlement system operated by Clearstream Banking S.A. Morgan Chase Bank, N.A. as custodian for Clearstream, Luxembourg.

The rights of a holder of interests in a Note held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg,

the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominee and the rules and regulations of the Austraclear System. In addition, any transfer of interests in a Note, which is held through Euroclear or Clearstream, Luxembourg will, to the extent such transfer will be recorded on the Austraclear System, be subject to the Corporations Act and the requirements for minimum consideration as set out in the Conditions.

Neither the Issuer nor the Guarantor will be responsible for the operation of the clearing arrangements which is a matter for the clearing institutions, their nominees, their participants and the investors.

Negative pledge: The terms of the Notes will contain a negative pledge provision as further described in Condition 5 (“Negative pledge”).

Interests in respect of Notes held in a Clearing System are transferable only in accordance with the rules and regulations of the relevant Clearing System.

Redemption: Notes may be redeemed before their stated maturity as described in the Conditions.

Notes held in a Clearing System will be redeemed through that Clearing System in a manner consistent with the rules and regulations of that Clearing System.

Payments: Payments to persons who hold interests or rights in respect of any Notes held in a Clearing System will be made by transfer to their relevant account in accordance with the rules and regulations of the relevant Clearing System.

Stamp duty: Any stamp duty incurred at the time of issue of the Notes will be for the account of the Issuer. Any stamp duty incurred on a transfer of Notes will be for the account of the relevant investors.

As at the date of this Information Memorandum, no *ad valorem* stamp duty is payable in any Australian State or Territory on the issue, transfer or redemption of the Notes. Investors are advised to seek independent advice regarding any stamp duty or other taxes imposed by another jurisdiction upon the transfer of Notes, or interests in Notes, in any jurisdiction outside of Australia.

Australian,
Cayman Islands and
Qatari taxation:

An overview of the Australian, Cayman Islands and Qatari taxation treatment of payments of interest on the Notes and certain other matters is set out under the section entitled “Taxation” below. However, investors should obtain their own taxation advice regarding the taxation status of investing in Notes.

FATCA:

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (“**FATCA**”) generally impose a new reporting regime and potentially a 30 per cent. withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a “**foreign financial institution**”, or “**FFI**” (as defined by FATCA)) that does not become a “**Participating FFI**” by entering into an agreement with the U.S. Internal Revenue Service (“**IRS**”) to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a “United States Account” of the Issuer (a “**Recalcitrant Holder**”). The Issuer may be classified as an FFI.

The new withholding regime began 1 July 2014 for payments from sources within the United States and will apply to “foreign passthru payments” (a term not yet defined) no earlier than 1 January 2019. This withholding would potentially apply to payments in respect of (i) any Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the “grandfathering date”, which is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified (including by reason of a substitution of the Issuer) on or after the grandfathering date and (ii) any Notes characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. However, if additional notes that are not distinguishable from these Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered hereby, as subject to withholding under FATCA.

The United States and a number of other jurisdictions have entered into, or have agreed in substance to, several intergovernmental agreements to facilitate the implementation of FATCA (each, an “**IGA**”). Pursuant to FATCA and the “Model 1” and “Model 2” IGAs released by the United States, an FFI in an IGA signatory country generally will be treated as a “Reporting FI” not subject to withholding under FATCA on any payments it receives if it reports certain information in respect of its account holders and investors to its home government or to the IRS. Further, an FFI in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA (or any law implementing an IGA (any such withholding being “**FATCA Withholding**”) from payments it makes. The United States has entered into intergovernmental agreements with the Cayman Islands (the “**US-Cayman IGA**”) and Qatar (the “**US-Qatar IGA**”).

If the Issuer is treated as a Reporting FI pursuant to an IGA, it does not anticipate that it will be obligated to deduct any FATCA Withholding from payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI or that it would in the future not be required to deduct FATCA Withholding from payments it makes. The Issuer, the Guarantor and financial institutions through which payments on

the Notes are made may be required to deduct FATCA Withholding if (i) any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

Whilst the Notes are held within the clearing systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, the Guarantor, any Agent, given that each of the entities in the payment chain between the Issuer and the participants in the clearing systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation in respect of the Notes expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the clearing systems. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive Notes will only be printed in remote circumstances.

FATCA is particularly complex and its application is subject to change. The above description is based in part on regulations, official guidance, the U.S.-Cayman IGA, the U.S.-Qatar IGA and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers to obtain a more detailed explanation of FATCA and to learn how FATCA might affect each holder in its particular circumstance.

Tax File Numbers and Australian Business Numbers:

If required to do so by applicable law, the Issuer will deduct amounts from payments of interest to be made under the Notes at the prescribed rate if an Australian resident investor has not supplied an appropriate Tax File Number (“TFN”) (or in certain circumstances, an ABN) or such exemption details as may be necessary to enable the payment to be made without deduction.

Selling restrictions:

The offer, sale, transfer and delivery of Notes and the distribution of this Information Memorandum and other material in relation to the Notes are subject to such restrictions as may apply in any jurisdiction in which the Notes may be offered, sold or transferred in connection with the offering and sale of a particular Tranche of Notes. See also the section entitled “Selling Restrictions” below.

Listing:

The Issuer does not currently intend to list the Notes on the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) (“ASX”) or on any other stock or securities exchange.

However, an application may be made for an Issuer to be admitted to the official list of, and/or Notes of a particular Series to be quoted on, the ASX or on any other stock or securities exchange (in accordance with applicable laws and directives). The applicable Pricing Supplement in respect of the issue of any Tranche of Notes will specify whether or not such Notes will be quoted on any stock or securities exchange.

Investment Risks:

This Information Memorandum does not describe the risks of an investment in the Notes. Prospective investors or purchasers should consult their own financial and legal advisers about risks associated with an investment in a particular Tranche of Notes and the suitability of investing in the Notes in light of their particular circumstances.

Investors may experience difficulties in enforcing arbitration awards and foreign judgments

Under the Conditions of the Notes and the terms of the Guarantee, the parties have agreed that any dispute arising out of or in connection with the Notes and the Guarantee may be referred to and finally resolved by arbitration in accordance with the rules of the Australian Centre for International Commercial Arbitration, with a Holder having the option to require that the courts of New South Wales, Australia have exclusive jurisdiction to settle the dispute. In the event that proceedings are brought against the Guarantor in Qatar, the Qatari courts would, in accordance with their normal practice, enforce the contractual terms of the Guarantee and the Notes (including the contractual choice of a governing law other than Qatari law to govern the Guarantee and the Notes, provided that, this would not apply to any provision of that law which Qatari courts held to be contrary to any mandatory provision of Qatari law or to public order or morality in Qatar). Qatari courts have consistently enforced commercial interest obligations computed in accordance with the terms of the relevant agreement. It is, however, uncertain whether the Qatari courts would enforce the payment of interest on interest, or the payment of accrued interest which exceeds the amount of the principal sum. The Court of Cassation in Qatar recently refused to grant a claimant a right to receive default interest and instead awarded damages and such damages were lower than the contractual default interest.

There is currently no treaty or convention for the reciprocal enforcement of judgments between Qatar on the one hand and New South Wales, Australia on the other. A judgment obtained from a court in New South Wales, Australia will be enforceable in Qatar subject to the provisions of Articles 379 and 380 of the Civil and Commercial Procedure Law, which provides, (i) in the case of Article 379, that judgments and orders pronounced in a foreign country may be ordered to be executed in Qatar upon the conditions determined in that country for the execution of Qatari judgments and orders; and (ii) in the case of Article 380, that an order for execution of a foreign judgment or order will not be made unless and until the following have been ascertained, that: (a) the judgment or order was delivered by a competent court of the foreign jurisdiction in question; (b) the parties to the action were properly served with notice of proceedings and properly represented; (c) the judgment or order is one that is capable of being executed by the successful party to the proceedings in conformity with the laws of

the foreign jurisdiction in question; and (d) the foreign judgment or order does not conflict with a previous judgment or order of a competent Qatari court and is not contrary to public policy or morality in Qatar. The same provisions apply to arbitration awards made in a foreign country.

A Qatari court would be entitled to call for textual evidence on the laws of New South Wales concerning the conditions that would be applicable for the execution of the judgment of a Qatari court in New South Wales and the Qatari court would then be entitled to execute the judgment of the New South Wales court upon those conditions. Accordingly, although a judgment obtained from a court in New South Wales would be admissible in evidence in any proceedings brought in Qatar to enforce such judgment it would still be necessary to initiate proceedings in Qatar.

In accordance with their normal practice, Qatari courts would uphold the choice of arbitration as a dispute resolution method. However, this would be subject to the same qualifications as are stated above with regard to choice of law and a Qatari court may not accept that its own jurisdiction had been excluded by any provision providing that the submission to any particular jurisdiction was exclusive.

Qatar is a party to the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards (the “**New York Convention**”), with effect from 30 March 2003. Australia is also a party to the New York Convention and therefore an arbitration award made in New South Wales should be enforceable in Qatar in accordance with the terms of the New York Convention. The interpretation and application of the New York Convention by the Qatari courts and the enforcement of foreign arbitration awards by the Qatari courts in accordance with the New York Convention is developing, and the parameters of enforcement are starting to be tested more regularly in the Qatari courts. While the Qatari courts tend to be pro-enforcement, the jurisprudence is still evolving and there is a risk that a foreign arbitration award rendered in connection with the Notes will be refused enforcement by the Qatari courts.

Waiver of immunity may not be effective under Qatari law

Under the Notes and the Guarantee, the Issuer and the Guarantor, as the case may be, has each waived its rights in relation to sovereign immunity in respect of such documents. However, there can be no assurance as to whether such waivers of immunity from jurisdiction, enforcement, prejudgment proceedings, injunctions and all other legal proceedings by the Issuer or the Guarantor under the Notes and/or the Guarantee (as applicable) are valid and binding under Qatari law and enforceable in Qatar.

- (b) a reference to a Holder is a reference to the holder of Notes of a particular Series; and
- (c) a reference to a particular date is a reference to that date adjusted in accordance with the applicable Business Day Convention.

1.4 References to principal and interest

Unless the contrary intention appears, in these Conditions:

- (a) any reference to **“principal”** is taken to include the Redemption Amount, any additional amounts in respect of principal which may be payable under Condition 13

("Taxation"), any premium payable in respect of a Note, and any other amount in the nature of principal payable in respect of the Notes under these Conditions; and

- (b) the principal amount of a Note issued at a discount is to be taken as at any time to equal its Denomination;

- (d) any reference to "**interest**" is taken to include any Additional Amounts and any other amount in the nature of interest payable in respect of the Notes under these Conditions.

1.5 Number

The singular includes the plural and vice versa.

1.6 Headings

Headings (including those in brackets at the beginning of paragraphs) are for convenience only and do not affect the interpretation of these Conditions.

1.7 Terms defined in Pricing Supplement

Terms which are defined in the Pricing Supplement as having a defined meaning have the same meaning when used in these Conditions but if the Pricing Supplement gives no meaning or specifies that the definition is "Not Applicable", then that definition is not applicable to the Notes.

2 Introduction

2.1 Programme

Notes are issued under a debt issuance programme established by the Issuer.

2.2 Guarantee

Payment of all amounts in respect of this Note has been guaranteed by the Guarantor pursuant to the Guarantee. The original of the Guarantee is held by the Registrar at its Specified Office.

2.3 Pricing Supplement

- (a) Notes are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the first payment of interest).
- (b) A Tranche is the subject of a Pricing Supplement which supplements, amends or replaces these Conditions. If there is any inconsistency between these Conditions and the Pricing Supplement, the Pricing Supplement prevails.
- (c) Copies of the Pricing Supplement are available for inspection or on request by a Holder or prospective Holder during normal business hours at the Specified Office of the Issuer or the Registrar.

2.4 Types of Notes

A Note is either:

- (a) a Fixed Rate Note; or
- (b) a Floating Rate Note;

or a combination of the above (or any other type of debt obligation including a certificate of deposit), as specified in the relevant Pricing Supplement.

2.5 Denomination

Notes are issued in a single Denomination as specified in the Pricing Supplement.

2.6 Currency

Notes are denominated in the currency specified in the Pricing Supplement.

2.7 Clearing Systems

Notes may be held in a Clearing System, in which case the rights of a person holding an interest in the Notes lodged in the Clearing System are subject to the rules and regulations of the Clearing System.

2.8 Issue restrictions

Unless otherwise specified in the Pricing Supplement, Notes may only be offered (directly or indirectly) for issue, or applications invited for the issue of Notes, if:

- (a) where the offer or invitation is made, in or into Australia:
 - (i) the aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency, and in either case, disregarding moneys lent by the Issuer or its associates to the subscriber) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) the offer or invitation (including any resulting issue) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the transfer complies with Banking (Exemption) Order No. 82 as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for a minimum principal amount of at least A\$500,000); or
- (b) where the offer or invitation is made outside of Australia, at all times, the offer or invitation (including any resulting issue) complies with all applicable laws and directives in the jurisdiction in which the offer, invitation or issue takes place.

3 Form

3.1 Constitution under Note Deed Poll

Notes are debt obligations of the Issuer constituted by, and owing under, the Note Deed Poll.

3.2 Form

Notes are issued in registered form by entry in the Register.

3.3 No certificates

No certificates will be issued to Holders unless the Issuer determines that certificates should be available or are required by any applicable law.

4 Status of Notes and Guarantee

The Notes constitute direct, unconditional and (subject to Condition 5 (“Negative pledge”)) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and of

the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and, subject to Condition 5 (“Negative pledge”), at all times rank at least equally with all other outstanding, present and future, unsecured and unsubordinated obligations of the Issuer and the Guarantor respectively.

5 Negative pledge

So long as any Note remains outstanding neither the Issuer nor the Guarantor will, and the Issuer and the Guarantor will procure that none of their respective Principal Subsidiaries will, create or have outstanding any mortgage, charge, lien, pledge or other security interest other than a Permitted Security Interest (each, a “**Security Interest**”) upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure (i) any Relevant Indebtedness or Relevant Sukuk Obligation, or (ii) any guarantee or indemnity in respect of any Relevant Indebtedness or Relevant Sukuk Obligation, unless the Issuer or the Guarantor, as the case may be, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (a) all amounts payable by it under the Notes and/or the Guarantee, as the case may be, are secured by the Security Interest equally and rateably with the Relevant Indebtedness, Relevant Sukuk Obligation, guarantee or indemnity, as the case may be; or
- (b) such other Security Interest or other arrangement (whether or not it includes the giving of a Security Interest) is approved by an Extraordinary Resolution of the Holders.

6 Title and transfer of Notes

6.1 Title

Title to Notes passes when details of the transfer are entered in the Register.

6.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the Holder to pay principal and (if applicable) interest and any other amount in accordance with these Conditions and to otherwise comply with these Conditions; and
- (b) an entitlement to the other benefits given to Holders under these Conditions in respect of the relevant Note.

6.3 Register conclusive as to ownership

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of the Note subject to correction for fraud or error.

6.4 Non-recognition of interests

Except as required by law, the Issuer, the Guarantor and the Registrar must treat the person whose name is entered in the Register as the holder of a Note as the absolute owner of that Note. This Condition applies whether or not a Note is overdue and despite any notice of ownership, trust or interest in the Note.

6.5 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

6.6 Transfers in whole

Notes may be transferred in whole but not in part.

6.7 Compliance with laws

Notes may only be transferred if:

- (a) in the case of Notes to be transferred in, or into, Australia, the offer or invitation giving rise to the transfer:
 - (i) is for an aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates to the subscriber) or the offer or invitation (including any resulting transfer) does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the transfer complies with Banking (Exemption) Order No. 82 as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for a minimum principal amount of at least A\$500,000); or
- (b) in the case of Notes to be transferred outside of Australia, the offer or invitation giving rise to the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

6.8 Transfer procedures

Interests in Notes held in a Clearing System are transferable only in accordance with the rules and regulations of that Clearing System.

Application for the transfer of Notes not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar. Each transfer form must be:

- (a) duly completed;
- (b) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
- (c) signed by, or on behalf of, both the transferor and the transferee.

Transfers are registered without charge provided all applicable Taxes have been paid.

6.9 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Notes and the transferee becomes so entitled in accordance with Condition 6.2 (“Effect of entries in Register”).

6.10 CHES

Notes listed on the Australian Stock Exchange Limited (ABN 98 008 624 691) are not transferred through, or registered on, the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and are not “Approved Financial Products” (as defined for the purposes of that system).

6.11 Austraclear as Holder

If Austraclear is recorded in the Register as the Holder, each person in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under an Agency Agreement; and
- (b) the Holder does not rely on any fact, matter or circumstance contrary to paragraph (a).

6.12 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

6.13 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

6.14 Transfer of unidentified Notes

If a Holder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Holder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

7 Fixed Rate Notes

This Condition 7 ("Fixed Rate Notes") applies to the Notes only if the Pricing Supplement states that it applies.

7.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

7.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

7.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, the outstanding principal amount of the Fixed Rate Note and the applicable Day Count Fraction.

8 Floating Rate Notes

This Condition 8 (“Floating Rate Notes”) applies to the Notes only if the Pricing Supplement states that it applies.

8.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

8.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

8.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 8.2 (“Interest Rate determination”), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

8.4 ISDA Determination

If ISDA Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the ISDA Rate.

In this Condition:

- (a) “**ISDA Rate**” means for an Interest Period, a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction if the Calculation Agent for the Floating Rate Notes were acting as Calculation Agent for that Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option, the Designated Maturity and the Reset Date are as specified in the Pricing Supplement; and
 - (ii) the Period End Dates are each Interest Payment Date, the Spread is the Margin and the Floating Rate Day Count Fraction is the Day Count Fraction; and
- (b) “**Swap Transaction**”, “**Floating Rate**”, “**Calculation Agent**” (except references to “**Calculation Agent for the Floating Rate Notes**”), “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**”, “**Period End Date**”, “**Spread**” and “**Floating Rate Day Count Fraction**” have the meanings given to those terms in the ISDA Definitions.

8.5 Screen Rate Determination

If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
 - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
 - (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

8.6 BBSW Rate Determination

If BBSW Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition, “**BBSW Rate**” means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “AVG MID” on the Reuters Screen BBSW Page at approximately 10.10am on the first day of that Interest Period. However, if such rate does not appear on the Reuters Screen BBSW Page by 10.30am on that day, or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, “**BBSW Rate**” means the rate determined by the Calculation Agent having regard to comparable indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one ten-thousandth of a percentage point (0.0001 per cent.).

8.7 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two ISDA Rates, Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

9 General provisions applicable to interest

9.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a Maximum Interest Rate or Minimum Interest Rate for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. The Minimum Interest Rate shall not be less than zero and if no Minimum Interest Rate is specified in the relevant Pricing Supplement, the Minimum Interest Rate shall be zero.

9.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each Floating Rate Note and interest bearing Structured Note, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

9.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

9.4 Notification of Interest Rate, interest payable and other items

- (a) The Calculation Agent must notify the Issuer, the Guarantor, the Registrar, the Holders, each other Agent and any stock exchange or other relevant authority on which the Notes are listed of:
 - (i) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
 - (ii) any amendment to any amount, item or date referred to in paragraph (i) arising from any extension or reduction in any Interest Period or calculation period.
- (b) The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.
- (c) The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Guarantor, the Registrar, the Holders, each other

Agent and each stock exchange or other relevant authority on which the Notes are listed after doing so.

9.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest error, final and binding on the Issuer, the Guarantor, the Registrar, each Holder and each other Agent.

9.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in the Pricing Supplement):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures resulting from the calculations must be rounded to five decimal places (with halves being rounded up); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars or euro, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

10 Redemption

10.1 Scheduled redemption

Each Note is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed maturity date.

10.2 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the Notes of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued on it to (but excluding) the redemption date if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 13.2 ("Withholding tax") or the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making payment itself would be required to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or directives of a Relevant Tax Jurisdiction or any change in the application or official interpretation of such laws or directives, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes (save in each case where such additional amounts are payable under the Income Tax Law No. (21) of 2009 of the State of Qatar and/or The Executive Regulations issued in September 2011 thereunder, in each case as originally enacted);

- (b) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it.

However, the Issuer may only do so if:

- (c) the Issuer has given at least 30 days' (and no more than 60 days') notice to the Registrar, the Holders, each other Agent and any stock exchange or other relevant authority on which the Notes are listed; and
- (d) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised signatories of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,
that the Issuer or the Guarantor has or will become obliged to pay such additional amounts as a result of such change or amendment;
- (e) in the case of Fixed Rate Notes, no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts; and
- (f) in the case of Floating Rate Notes and Structured Notes bearing a floating rate of interest:
 - (i) the proposed redemption date is an Interest Payment Date; and
 - (ii) no notice of redemption is given earlier than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

10.3 Early redemption at the option of Holders (Holder put)

- (a) If the Pricing Supplement states that a Holder may require the Issuer to redeem all or some of the Notes of a Series held by that Holder before their Maturity Date, the Issuer must redeem the Notes specified by the Holder at the Redemption Amount and any interest accrued on it to (but excluding) the redemption date if the following conditions are satisfied:
 - (i) the amount of Notes to be redeemed is a multiple of their Denomination;
 - (ii) the Holder has given at least 15 days' (and no more than 30 days') (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the Holder to the Note;
 - (iii) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
 - (iv) the redemption date is an Early Redemption Date (Put) specified in the Pricing Supplement; and
 - (v) any other condition specified in the Pricing Supplement is satisfied.
- (b) A Holder may not require the Issuer to redeem any Note under this Condition 10.3 if the Issuer has given notice that it will redeem that Note under Condition 10.2 ("Early

redemption for taxation reasons”) or Condition 10.5 (“Early redemption at the option of the Issuer (Issuer call)”).

10.4 Early redemption at the option of Holders (Change of Control)

- (a) If the Pricing Supplement states that a Change of Control Put is applicable, and if a Change of Control Event occurs, the Issuer will, upon a Holder giving notice within the Change of Control Put Period to the Issuer, redeem or, at the Issuer's option, purchase (or procure the purchase of) such Note on the Change of Control Put Date at their outstanding principal amount together, if appropriate, with interest accrued to (but excluding) the Change of Control Put Date.
- (b) A Holder may not require the Issuer to redeem any Note under this Condition 10.4 if the Issuer has given notice that it will redeem that Note under Condition 10.2 (“Early redemption for taxation reasons”) or Condition 10.5 (“Early redemption at the option of the Issuer (Issuer call)”).
- (c) Promptly upon the Issuer or the Guarantor becoming aware that a Change of Control Event has occurred, the Issuer shall give notice (a “**Change of Control Notice**”) to the Holders specifying the nature of the Change of Control Put Event and the procedure for exercising the Change of Control Put.
- (d) For the purpose of this Condition:

a “**Change of Control Event**” will occur will be deemed to occur if at any time the Government of the State of Qatar ceases to own, directly or indirectly, through the Qatar Investment Authority or otherwise 50.0 per cent. of the issued share capital of the Guarantor;

“**Change of Control Put Date**” means the seventh Business Day following the expiration of the Change of Control Put Period; and

“**Change of Control Put Period**” means, in relation to any Change of Control Event, the period of 30 days from and including the date on which the Change of Control Notice is given.

10.5 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Redemption Amount and any interest accrued on it to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given at least 15 days’ (and no more than 30 days’) (or any other period specified in the Pricing Supplement) notice to the Registrar, the Holders, each other Agent and any stock exchange or other relevant authority on which the Notes are listed; and
- (c) the proposed redemption date is an Early Redemption Date (Call) specified in the Pricing Supplement; and
- (d) any other condition specified in the Pricing Supplement is satisfied.

10.6 Partial redemptions

If only some of the Notes are to be redeemed under Condition 10.5 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner; and
- (b) in compliance with any applicable law, directive or requirement of any stock exchange or other relevant authority on which the Notes are listed.

10.7 Effect of notice of redemption

Any notice of redemption given under this Condition 10 (“Redemption”) is irrevocable except, in the case of a notice of redemption given under Condition 10.3 (“Early redemption at the option of Holders (Holder put)”) or Condition 10.4 (“Early redemption at the option of Holders (Change of Control)”) where, prior to the due date of redemption, an Event of Default has occurred, in which event a Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to Condition 10.3 or Condition 10.4 and instead to declare such Note forthwith due and payable pursuant to Condition 15 (“Events of Default”).

10.8 Late payment

If an amount is not paid under this Condition 10 (“Redemption”) when due, then interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Holder.

10.9 Purchase

The Issuer, the Guarantor and any of their related entities may at any time purchase Notes in the open market or otherwise and at any price. If purchases are made by tender, tenders must be available to all Holders alike. Notes purchased under this Condition 10.9 may be held, resold or cancelled at the discretion of the purchaser and (if the Notes are to be cancelled, the Issuer), subject to compliance with any applicable law or requirement of any stock exchange or other relevant authority on which the Notes are listed.

11 General provisions

11.1 Summary of payment provisions

Payments in respect of Notes must be made in accordance with Condition 12 (“Payments”).

11.2 Payments subject to law

All payments are subject to:

- (a) applicable law, but without prejudice to the provisions of Condition 13 (“Taxation”); and
- (b) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof or (without prejudice to the taxation provisions in the Information Memorandum) any law implementing any intergovernmental approach thereto;

11.3 Payments on business days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention.

The Holder is not entitled to any additional payment in respect of that delay.

11.4 Currency indemnity

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

- (a) if the Notes are held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the Holder) in the country of the currency in which the Note is denominated previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts of the persons in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded in the country of the currency in which the Note is denominated as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the Notes are not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the country of the currency in which the Note is denominated previously notified by the Holder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

12.4 Other payments

If the Holder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in such other manner as the Issuer may determine.

13 Taxation**13.1 No set-off, counterclaim or deductions**

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

13.2 Withholding tax

Subject to Condition 13.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Holder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Tax Jurisdiction, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this Condition, each Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

13.3 Withholding tax exemptions

The Issuer is not required to pay an Additional Amount under Condition 13.2(b) (“Withholding tax”) if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction is required in respect of Taxes by reason of the Holder having some connection with a Relevant Tax Jurisdiction other than the mere holding of the Note or receipt of payment in respect of the Note;
- (b) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a payment day;
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (d) in any other circumstances specified in the Pricing Supplement.

Notwithstanding any other provisions of these Conditions, neither the Issuer nor the Guarantor will have an obligation to pay additional amounts in respect of the Notes for any amounts required to be withheld or deducted pursuant to sections 1471 to 1474 of the Code, or any agreement entered into with the United States under those sections if such withholding or deduction is imposed as a result of the failure by any person other than the Issuer, the Guarantor or any of their agents to establish that they are able to receive payments free of such withholding or deduction.

14 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

15.1 Events of Default for Notes

- (b) the Issuer or the Guarantor fails to perform or observe any of its other obligations under the Conditions or the Guarantee and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by a Holder on the Issuer of notice requiring the same to be remedied;

 - (iii) the Issuer, the Guarantor or any of their respective Principal Subsidiaries fails to pay when due or (as the case may be) within any originally applicable grace period any amount payable by it under any Guarantee of any Indebtedness or Sukuk Obligation, provided that each such event shall not constitute an Event of Default unless the aggregate amount of all such Indebtedness or Sukuk Obligation, either alone or when aggregated with all other Indebtedness or Sukuk Obligations in respect of which such an event shall have occurred and be continuing, shall be more than U.S.\$15,000,000 (or its equivalent in any other currency or currencies);
- (d) one or more judgments or orders for the payment of any sum in excess of U.S.\$15,000,000 is rendered against the Issuer, the Guarantor or any of their respective Subsidiaries and continues unsatisfied, unstayed and unappealed (or, if appealed, the appeal is unsuccessful and thereafter the judgment continues unsatisfied and unstayed for a period of 30 days) for a period of 60 days after the date thereof;

 - (B) in any case (other than the appointment of an administrator) is not discharged within 30 days unless such proceedings are being actively pursued in good faith;

16 Agents

16.1 Role of Agents

In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and the Guarantor and does not assume any obligations towards or relationship of agency or trust for or with any Holder.

16.2 Appointment and replacement of Agents

Each initial Agent for a Series of Notes is specified in the Pricing Supplement. Subject to Condition 16.4 ("Required Agents"), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

16.3 Change of Agent

Notice of any change of an Agent or its Specified Offices must promptly be given to the Holders by the Issuer or the Agent on its behalf.

16.4 Required Agents

The Issuer must:

- (a) at all times maintain a Registrar; and
- (b) if a Calculation Agent is specified in the Pricing Supplement, at all times maintain a Calculation Agent.

17 Meetings of Holders

The Meetings Provisions contain provisions (which have effect as if incorporated in these Conditions) for convening meetings of the Holders of any Series to consider any matter affecting their interests, including any variation of these Conditions by Extraordinary Resolution.

18 Variation

18.1 Variation with consent

Unless Condition 18.2 ("Variation without consent") applies, any Condition may be varied by the Issuer with prior approval from the Holders by Extraordinary Resolution in accordance with the Meetings Provisions.

18.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the Holders if the amendment:

- (a) is of a formal, minor or technical nature;
- (b) is made to correct a manifest error;
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the Holders; or
- (d) only applies to Notes issued by it after the date of amendment.

19 Further issues

The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes of that Series.

20 Substitution

20.1 Substitution of the Issuer

The Issuer, or any previous substituted company, may at any time, without the consent of the Holders, substitute for itself as principal debtor under the Notes, any company (the "**Substituted Debtor**") that is the Guarantor, or a Subsidiary of the Guarantor, provided that no payment in respect of the Notes is at the relevant time overdue. The substitution shall be made by a deed poll (the "**Deed Poll**"), to be substantially in the form scheduled to the Note Deed Poll as, and may take place only if:

- (a) the Deed Poll and such other documents (if any) shall be executed by the Issuer, the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor as may be necessary to give full effect to the substitution (together, the "**Documents**") and (without limiting the generality of the foregoing) pursuant to which the Substituted Debtor shall undertake in favour of each Holder to be bound by the Conditions of the Notes and the provisions of the Note Deed Poll as fully as if the Substituted Debtor had been named in the Notes and the Note Deed Poll as the principal debtor in respect of the Notes in place of the Issuer (or any previous substitute) and (if the Substituted Debtor is not the Guarantor) pursuant to which the Guarantor shall unconditionally and irrevocably guarantee (the "**New Deed of Guarantee**") in favour of each Holder the payment of all sums payable by the Substituted Debtor as such principal debtor on the same terms mutatis mutandis as the Guarantee;
- (b) without prejudice to the generality of paragraph (a) above, where the Substituted Debtor is incorporated, domiciled or resident for taxation purposes in a territory other than the Cayman Islands, the Documents shall contain a covenant by the Substituted Debtor and/or such other provisions as may be necessary to ensure that each Holder has the benefit of a covenant in terms corresponding to the provisions of Condition 13 ("Taxation") with the substitution for the references to the Cayman Islands of references to the territory or territories in which the Substituted Debtor is incorporated, domiciled and/or resident for taxation purposes. The Documents shall also contain a covenant by the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor to indemnify and hold harmless each Holder against all taxes or duties which arise by reason of a law or regulation having legal effect or being in reasonable contemplation thereof on the date such substitution becomes effective, which may be incurred or levied against such holder as a result of any substitution pursuant to this Condition and which would not have been so incurred or levied had such substitution not been made (and, without limiting the foregoing, any and all taxes or duties which are imposed on any such Holder by any political subdivision or taxing authority of any country in which such Holder resides or is subject to any such tax or duty and which would not have been so imposed had such substitution not been made);
- (c) the Documents shall contain a representation and warranty by the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor:
 - (i) that the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor have obtained all necessary governmental and regulatory approvals and consents for such substitution and (if the Substituted Debtor is not the Guarantor) for the giving by the Guarantor of the New Deed of Guarantee in respect of the obligations of the Substituted Debtor on the same terms mutatis mutandis as the Deed of Guarantee and

for the performance by each of the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor of its obligations under the Documents and that all such approvals and consents are in full force and effect; and

- (ii) that the obligations assumed by the Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor under the Documents are all legal, valid and binding in accordance with their respective terms;
- (d) each stock exchange on which the Notes are listed shall have confirmed that following the proposed substitution of the Substituted Debtor the Notes will continue to be listed on such stock exchange;
- (e) the Issuer shall have delivered to the Registrar or procured the delivery to the Registrar of a legal opinion addressed to the Issuer, the Substituted Debtor and the Guarantor from a leading firm of lawyers in Australia and from a leading firm of lawyers in the country of incorporation of the Substituted Debtor to the effect that the Documents constitute legal, valid and binding obligations of the Substituted Debtor and that there are no circumstances which, upon the substitution becoming effective, would give rise to any of the events described in Condition 10.2 (“Early redemption for taxation reasons”) in respect of the Substituted Debtor, such opinion to be dated not more than seven days prior to the date of the substitution of the Substituted Debtor for the Issuer and to be available for inspection by Holders at the specified office of the Registrar;
- (f) the Guarantor shall have delivered to the Registrar or procured the delivery to the Registrar of a legal opinion addressed to the Issuer, the Substituted Debtor and the Guarantor from a leading firm of Qatari lawyers and from a leading firm of lawyers in Australia, each acting for the Guarantor, to the effect that, in the case where the Substituted Debtor is not the Guarantor, the Documents (including the New Deed of Guarantee given by the Guarantor in respect of the obligations of the Substituted Debtor) constitute legal, valid and binding obligations of the Guarantor, such opinion to be dated not more than seven days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Holders at the specified office of the Registrar;
- (g) the Substituted Debtor shall have appointed the process agent appointed by the Issuer in Condition 22.6 (“Agent for service of process”) or another person with an office in New South Wales, Australia as its agent to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the Notes or the Documents;
- (h) there being no outstanding Event of Default in respect of the Notes; and
- (i) any credit rating assigned to the Notes will remain the same or be improved when the Substituted Debtor replaces and substitutes the Issuer in respect of the Notes.

20.2 Assumption by Substitute Debtor

Upon execution of the Documents as referred to in Condition 20.1 (“Substitution of the Issuer”) above, the Substituted Debtor shall be deemed to be named in the Notes as the principal debtor in place of the Issuer (or of any previous substitute under these provisions) and the Notes shall thereupon be deemed to be amended to give effect to the substitution. The execution of the Documents shall operate to release the Issuer as issuer (or such previous substitute as aforesaid) from all of its obligations as principal debtor in respect of the Notes.

20.3 Deposit of Documents

The Documents shall be deposited with and held by the Registrar for so long as any Note remains outstanding and for so long as any claim made against the Substituted Debtor or (if

the Substituted Debtor is not the Guarantor) the Guarantor by any Holder in relation to the Notes or the Documents shall not have been finally adjudicated, settled or discharged. The Substituted Debtor and (if the Substituted Debtor is not the Guarantor) the Guarantor shall acknowledge in the Documents the right of every Holder to production of the Documents for the enforcement of any of the Notes or the Documents.

20.4 Notice of Substitution

Not less than 15 business days after execution of the Documents, the Substituted Debtor shall give notice thereof to the Holders in accordance with Condition 21 (“Notices”). References in Condition 15 (“Events of Default”) to obligations under the Notes shall be deemed to include obligations under the Deed Poll, and, where the Deed Poll contains a guarantee, the events listed in Condition 15 shall be deemed to include that guarantee not being (or being claimed by the guarantor not to be) in full force and effect.

21 Notices

21.1 Notices to Holders

All notices and other communications to Holders must be in writing and must be left at the address of or sent by prepaid post (airmail, if appropriate) to the address of the Holder (as shown in the Register at the close of business on the day which is 3 Business Days before the date of the notice or communication).

They may also be:

- (a) given by an advertisement published in the *Australian Financial Review* or *The Australian*; or
- (b) if the Pricing Supplement specifies an additional or alternate newspaper, given by an advertisement published in that newspaper.

21.2 Notices to the Issuer and the Agents

All notices and other communications to the Issuer or an Agent must be in writing and may be left at the address of, or sent by prepaid post (airmail, if appropriate) to, the Specified Office of the Issuer or the Agent.

21.3 When effective

They take effect from the time they are received unless a later time is specified in them.

21.4 Deemed receipt - publication in newspaper

If published in a newspaper, they are taken to be received on the first date that publication has been made in all the required newspapers.

21.5 Deemed receipt - postal

If sent by post, they are taken to be received five days after posting.

22 Governing law and submission to jurisdiction

22.1 Governing law

Notes are governed by the law in force in New South Wales.

22.2 Agreement to arbitrate

Subject to Condition 22.3 (“Option to litigate”), any dispute, claim, difference or controversy arising out of, relating to or having any connection with the Notes (including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes) (“**Dispute**”) shall be referred to and finally

resolved by arbitration in accordance with the Arbitration Rules (“**Rules**”) of the Australian Centre for International Commercial Arbitration (“**ACICA**”), which Rules (as amended from time to time) are deemed to be incorporated by reference into this Condition 22.2. For these purposes:

- (a) the place of arbitration shall be Sydney;
- (b) there shall be three arbitrators, each of whom shall be disinterested in the arbitration, shall have no connection with any party thereto and shall be a lawyer experienced in international securities transactions; and
- (c) the language of the arbitration shall be English.

On receipt by the Issuer of a Notice of Arbitration as defined in the Rules initiated by a Holder, the Issuer shall send a copy of the Notice of Arbitration to all Holders, (“**Notification**”) within 30 days of receipt. The arbitral proceedings shall be suspended until the earlier of the completion of the Notification process or 30 days following the receipt by the Issuer of a Notice of Arbitration.

Any Holder may, on receipt of such Notification, request to be joined with any other Holder, to that arbitration, by filing a written notice (“**Joinder Notice**”) with the relevant Holder and the Issuer prior to disclosure of documents in that arbitration. Each Holder hereby agrees to accept the joinder of any other Holder where the interests of the Holders are materially similar. Failure to file a Joinder Notice does not preclude any Holder from bringing any action (whether arising from similar facts to those relevant to the arbitration in respect of which the Notification is provided or otherwise) in the future.

Any multi-party arbitration resulting from the joinder of any other Holder(s) will be formally settled in single arbitral proceedings.

In multi-party arbitration proceedings, the arbitral tribunal shall have all powers necessary to establish any supplementary procedural rules required or desirable in view of the multi-party nature of the proceedings.

In the event of arbitration proceedings where the interests of Holders are sufficiently similar to permit those parties to be represented by a single counsel without generally accepted principles regarding conflicts of interest being infringed, such parties are obliged to act together and through one counsel only. In the event that there is some question as to whether the interests of some or all of the Holders concerned are sufficiently similar to invoke the terms of this provision requiring joint representation, then that may be determined as a preliminary issue by the arbitral tribunal.

22.3 Option to litigate

Notwithstanding Condition 22.2 (“Agreement to arbitrate”) above, any Holder may, in the alternative, and at its sole discretion, by notice in writing to the Issuer:

- (a) within 28 days of service of a Notice of Arbitration (as defined in the Rules); or
- (b) in the event no arbitration is commenced,

require that a Dispute be heard by a court of law. If any Holder gives such notice, the Dispute to which such notice refers shall be determined in accordance with Condition 22.4 (“Effect of option to litigate”) and any arbitration commenced under Condition 22.2 (“Agreement to arbitrate”) in respect of that Dispute will be terminated. Each of the parties to the terminated arbitration will bear its own costs in relation thereto.

If any notice to terminate is given after service of any Notice of Arbitration in respect of any Dispute, the relevant Holder must also promptly give notice to ACICA and to any Arbitral Tribunal (each as defined in the Rules) already appointed in relation to the Dispute that such

Dispute will be settled by the courts. Upon receipt of such notice by the ACICA, the arbitration and any appointment of any arbitrator in relation to such Dispute will immediately terminate. Any such arbitrator will be deemed to be *functus officio*. The termination is without prejudice to:

- (i) the validity of any act done or order made by that arbitrator or by the court in support of that arbitration before his appointment is terminated;
- (ii) his entitlement to be paid his proper fees and disbursements; and
- (iii) the date when any claim or defence was raised for the purpose of applying any limitation bar or any similar rule or provision.

22.4 Effect of option to litigate

In the event that a notice pursuant to Condition 22.3 (“Option to litigate”) is issued, the following provisions shall apply:

- (a) subject to paragraph (c) below, the courts of New South Wales, Australia shall have exclusive jurisdiction to settle any Dispute and the Issuer and the Guarantor submits to the exclusive jurisdiction of such courts;
- (b) the Issuer and the Guarantor agrees that the courts of New South Wales are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary; and
- (c) this Condition 22.4 is for the benefit of the Holders only. As a result, and notwithstanding paragraph (a) above, any Holder may take proceedings relating to a Dispute (“**Proceedings**”) in any other courts with jurisdiction. To the extent allowed by law, any Holder may take concurrent Proceedings in any number of jurisdictions.

22.5 Serving documents

- (a) Without preventing any other method of service, any document in any action may be served on the Issuer or a Holder by being delivered or left at their registered office or principal place of business.
- (b) For so long as any of the Notes issued by the Issuer are outstanding, the Issuer and the Guarantor will ensure that there is an agent appointed to accept service of process in Australia in respect of any legal action or proceedings as may be commenced by arbitration or brought in the courts of New South Wales or the Federal Courts of Australia.

22.6 Agent for service of process

The Issuer and the Guarantor respectively appoint Dabserv Corporate Services Pty Limited (ABN 73 001 824 111) of Level 61 Governor Phillip Tower, 1 Farrer Place, Sydney NSW 2000, Australia, as its agent to receive any document referred to in Condition 22.5 (“Serving documents”). If for any reason that person ceases to be able to act as such, the Issuer and the Guarantor will immediately appoint another person with an office located in New South Wales to receive any such document and promptly notify the Registrar and the Holders of such appointment.

22.7 Consent to enforcement

The Issuer and the Guarantor agrees that an arbitral award or judgment or order of an Australian or other court, in connection with a dispute arising out of or in connection with these Conditions, shall be binding on it and may be enforced against it in the courts of any competent jurisdiction. For the purposes of the foregoing, in respect of any proceedings arising out of or connected with the enforcement and/or execution of any award or judgment made against the Issuer, the Issuer hereby expressly submits to the jurisdiction of any court in which any such proceedings are brought.

22.8 Waiver of immunity

To the extent that the Issuer or the Guarantor, respectively, may claim for itself or its assets or revenues immunity from jurisdiction, enforcement, prejudgment proceedings, injunctions and all other legal proceedings and relief and to the extent that such immunity (whether or not claimed) may be attributed to it or its assets or revenues, the Issuer and the Guarantor agrees not to claim and irrevocably and unconditionally waives such immunity in relation to any Proceedings or Disputes. Further, the Issuer and the Guarantor, respectively, irrevocably and unconditionally consents to the giving of any relief or the issue of any legal proceedings, including, without limitation, jurisdiction, enforcement, prejudgment proceedings and injunctions in connection with any Proceedings or Disputes.

2 Deed poll

2.1 Benefit

- (a) Each Holder has the benefit of, and is entitled to enforce, this deed even though it is not a party to, or is not in existence at the time of execution and delivery of, this deed.
- (b) This deed is granted for the benefit of each person who, at any time, is a Holder.

2.2 Rights independent

- (a) Each Holder may enforce its rights under this deed independently from each other Holder and any other person.
- (b) Nothing done or omitted to be done by a Holder under or in relation to this deed will affect the rights of any other Holder (as the case may be).

2.3 Holders bound

The Guarantee and the other undertakings in this deed are given subject to and on the condition that each Holder is taken to have notice of, and be bound by, all the provisions of this deed and the relevant Conditions.

2.4 Direction to hold documents

Each Holder is taken to have irrevocably:

- (a) instructed the Guarantor that this deed is to be delivered to and held by the Registrar; and
- (b) appointed and authorised the Registrar to hold those documents in Sydney (or any other place in New South Wales as the Issuer and the Registrar may agree) on behalf of the Holders,

in each case until all the obligations of the Issuer under the Note Deed Poll and any Notes have been discharged in full.

2.5 Copies of documents to Holders

Within 14 days of the Guarantor receiving a written request from a Holder to do so, the Guarantor must provide (or procure that the Registrar provides) to that Holder a certified copy of any document held in accordance with clause 2.4 ("Direction to hold documents") if the Holder requires such copy in connection with any legal proceeding, claim or action brought by the Holder in relation to its rights under a Note or the Guarantee.

3 Guarantee

3.1 Guarantee

The Guarantor unconditionally and irrevocably guarantees that if the Issuer does not pay any sum payable by it under the Notes, by the time and on the date specified for such payment (whether on the normal due date, on acceleration or otherwise), the Guarantor shall pay that sum to each Holder on demand in the city in which payment is so to be made. All payments under the Guarantee by the Guarantor shall be made subject to the Conditions.

3.2 Status

- (a) The Guarantor represents and warrants that all necessary governmental consents and authorisations for the giving and implementation of this Guarantee have been obtained.
- (b) The payment obligations of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 5 ("Negative pledge"), at all times rank at least equally with all other outstanding, present and future, unsecured and unsubordinated obligations of the Guarantor

3.3 Guarantor as principal debtor

As between the Guarantor and the Holders but without affecting the Issuer's obligations, the Guarantor shall be liable under this deed as if it were the sole principal debtor and not merely a surety. Accordingly, its obligations shall not be discharged, nor shall its liability be affected, by anything that would not discharge it or affect its liability if it were the sole principal debtor, including:

- (a) any time, indulgence, waiver or consent at any time given to the Issuer or any other person;
- (b) any amendment to any other provisions of this Guarantee or to the Conditions or to any security or other guarantee or indemnity;
- (c) the making or absence of any demand on the Issuer or any other person for payment;
- (d) the enforcement or absence of enforcement of this Guarantee, the Notes or the Note Deed Poll or of any security or other guarantee or indemnity;
- (e) the taking, existence or release of any security, guarantee or indemnity;
- (f) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person; or
- (g) the illegality, invalidity or unenforceability of or any defect in any provision of this Guarantee, the Notes or the Note Deed Poll or any of the Issuer's obligations under any of them.

3.4 Guarantor's obligations continuing

- (a) The Guarantor's obligations under this Guarantee are and shall remain in full force and effect by way of continuing security until no sum remains payable under the Notes, the Note Deed Poll or this Guarantee and no further Notes may be issued by the Issuer under the Programme. Furthermore, those obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise and may be enforced without first having recourse to the Issuer, any other person, any security or any other guarantee or indemnity. The Guarantor irrevocably waives all notices and demands of any kind.
- (b) So long as any sum remains payable under the Notes, the Note Deed Poll or this Guarantee, the Guarantor shall not exercise or enforce any right, by reason of the performance of any of its obligations under this Guarantee, to be indemnified by the Issuer or to take the benefit of or enforce any security or other guarantee or indemnity.
- (c) The Guarantor shall on demand indemnify the relevant Holder, on an after tax basis, against any cost, loss, expense or liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by the Issuer under the Notes or the Note Deed Poll and shall in any event pay to it on demand the amount as refunded by it.
- (d) If any moneys become payable by the Guarantor under this Guarantee, the Issuer shall not (except in the event of the liquidation of the Issuer) so long as any such moneys remain unpaid, pay any moneys for the time being due from the Issuer to the Guarantor.

- (e) As separate, independent and alternative stipulations, the Guarantor unconditionally and irrevocably agrees:
 - (i) that any sum that, although expressed to be payable by the Issuer under the Notes, the Note Deed Poll or this Guarantee, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, the Guarantor or a Holder) not recoverable from the Guarantor on the basis of a guarantee shall nevertheless be recoverable from it as if it were the sole principal debtor and shall be paid by it to the Holder on demand; and
 - (ii) as a primary obligation to indemnify each Holder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under the Notes, the Note Deed Poll or this Guarantee not being paid on the date and otherwise in the manner specified in this Guarantee or in the Conditions or any payment obligation of the Issuer under the Notes, the Note Deed Poll or this Guarantee being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to a Holder), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum.
- (f) The Guarantor agrees that it will comply with and be bound by all such provisions contained in the Conditions which relate to it.

3.5 Amendment and termination

The Guarantor may not amend, vary, terminate or suspend this Guarantee or its obligations under this deed unless such amendment, variation, termination or suspension shall have been approved by an Extraordinary Resolution to which the special quorum provisions specified in the Notes apply to the holders of each Series of Notes outstanding, save that nothing in this clause 3.5 shall prevent the Guarantor from increasing or extending its obligations hereunder by way of supplement to this Guarantee at any time.

4 Payments and taxes

4.1 Gross-up

- (a) All payments by the Guarantor under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the State of Qatar or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Guarantor shall pay such additional amounts as will result in the receipt by the Holders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable:
 - (i) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of his having some connection with the State of Qatar other than the mere holding of the Note;
 - (ii) in respect of any demand for payment made more than 30 days after the Relevant Date except to the extent that the Holder would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day;
 - (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the

ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

- (iv) in any other circumstances specified in the Pricing Supplement.

Notwithstanding any other provisions of this Guarantee or the Conditions, the Guarantor will have no obligation to pay additional amounts in respect of the Notes for any amounts required to be withheld or deducted pursuant to sections 1471 to 1474 of the Code, or any agreement entered into with the United States under those sections if such withholding or deduction is imposed as a result of the failure by any person other than the Issuer, the Guarantor or any of their agents to establish that they are able to receive payments free of such withholding or deduction.

4.2 Stamp duty

The Guarantor covenants to and agrees with the Holders that it shall pay promptly, and in any event before any penalty becomes payable, any stamp, documentary, registration or similar duty or tax payable in the State of Qatar or in Australia, as the case may be, or in the country of any currency in which the Notes may be denominated or amounts may be payable in respect of the Notes, or any political subdivision or taxing authority thereof or therein in connection with the entry into, performance, enforcement or admissibility in evidence of this deed and/or any amendment of, supplement to or waiver in respect of this deed, and shall indemnify each of the Holders, on an after tax basis, against any liability with respect to or resulting from any delay in paying or omission to pay any such tax.

5 Governing law and dispute resolution

5.1 Governing law

This deed is governed by the law in force in New South Wales and the Guarantor submits to the non-exclusive jurisdiction of the courts in that place.

5.2 Agreement to arbitrate

Subject to clause 5.3 ("Option to litigate"), any dispute, claim, difference or controversy arising out of, relating to or having any connection with this deed (including any dispute as to its existence, validity, interpretation, performance, breach or termination or the consequences of its nullity) ("**Dispute**") shall be referred to and finally resolved by arbitration under the Australian Centre for International Commercial Arbitration ("**ACICA**") Arbitration Rules ("**Rules**"), which Rules (as amended from time to time) are incorporated by reference into this Clause 5.2. For these purposes:

- (a) the place of arbitration shall be Sydney;
- (b) there shall be three arbitrators, each of whom shall be disinterested in the arbitration, shall have no connection with any party thereto and shall be a lawyer experienced in international securities transactions. The parties to the Dispute shall each nominate one arbitrator and both arbitrators in turn shall appoint a further arbitrator who shall be the chairman of the tribunal. In cases where there are multiple claimants and/or multiple respondents, the class of claimants jointly, and the class of respondents jointly shall each nominate one arbitrator. If one party or both fails to nominate an arbitrator within the time limits specified by the Rules, such arbitrator(s) shall be appointed by the ACICA. If the party nominated arbitrators fail to nominate the third arbitrator within 15 days of the appointment of the second arbitrator, such arbitrator shall be appointed by the ACICA; and
- (c) the language of the arbitration shall be English.

On receipt by the Guarantor of a Notice of Arbitration as defined in the Rules initiated by a Holder, the Guarantor shall send a copy of the Notice of Arbitration to all Holders (“**Notification**”) within 30 days of receipt. The arbitral proceedings shall be suspended until the earlier of the completion of the Notification process or 30 days following the receipt by the Guarantor of a Notice of Arbitration.

Any Holder may, on receipt of such Notification, request to be joined with any other Holder, to that arbitration, by filing a written notice (“**Joinder Notice**”) with the relevant Holder and the Issuer prior to disclosure of documents in that arbitration. Each Holder hereby agrees to accept the joinder of any other Holder where the interests of the Holders are materially similar. Failure to file a Joinder Notice does not preclude any Holder from bringing any action (whether arising from similar facts to those relevant to the arbitration in respect of which the Notification is provided or otherwise) in the future.

Any multi-party arbitration resulting from the joinder of any other Holder(s) will be formally settled in single arbitral proceedings.

In multi-party arbitration proceedings, the arbitral tribunal shall have all powers necessary to establish any supplementary procedural rules required or desirable in view of the multi-party nature of the proceedings.

In the event of arbitration proceedings where the interests of Holders are sufficiently similar to permit those parties to be represented by a single counsel without generally accepted principles regarding conflicts of interest being infringed, such parties are obliged to act together and through one counsel only. In the event that there is some question as to whether the interests of some or all of the Holders concerned are sufficiently similar to invoke the terms of this provision requiring joint representation, then that may be determined as a preliminary issue by the arbitral tribunal.

5.3 Option to litigate

Notwithstanding clause 5.2 (“Agreement to arbitrate”) above, any Holder may, in the alternative, and at its sole discretion, by notice in writing to the Guarantor:

- (a) within 28 days of service of a Notice of Arbitration (as defined in the Rules); or
- (b) in the event no arbitration is commenced,

require that a Dispute be heard by a court of law. If any Holder gives such notice, the Dispute to which such notice refers shall be determined in accordance with clause 5.4 (“Effect of exercise of option to litigate”) and, subject as provided below, any arbitration commenced under clause 5.2 (“Agreement to arbitrate”) in respect of that Dispute will be terminated. Each of the parties to the terminated arbitration will bear its own costs in relation thereto.

If any notice to terminate is given after service of any Notice of Arbitration in respect of any Dispute, the Holder must also promptly give notice to the ACICA and to any Arbitral Tribunal (each as defined in the Rules) already appointed in relation to the Dispute that such Dispute will be settled by the courts. Upon receipt of such notice by ACICA, the arbitration and any appointment of any arbitrator in relation to such Dispute will immediately terminate. Any such arbitrator will be deemed to be *functus officio*. The termination is without prejudice to:

- (a) the validity of any act done or order made by that arbitrator or by the court in support of that arbitration before his appointment is terminated;
- (b) his entitlement to be paid his proper fees and disbursements; and
- (c) the date when any claim or defence was raised for the purpose of applying any limitation bar or any similar rule or provision.

5.4 Effect of exercise of option to litigate

In the event that a notice pursuant to clause 5.3 (“Option to litigate”) is issued, the following provisions shall apply:

- (a) subject to subclause 5.4(c) below, the courts of New South Wales, Australia shall have exclusive jurisdiction to settle any Dispute and the Issuer submits to the exclusive jurisdiction of such courts;
- (b) the Issuer agrees that the courts of New South Wales, Australia are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary; and
- (c) this clause 5.4 is for the benefit of the Holders only. As a result, and notwithstanding subclause 5.4(a) above, any Holder may take proceedings relating to a Dispute (“**Proceedings**”) in any other courts with jurisdiction. To the extent allowed by law, any Holder may take concurrent Proceedings in any number of jurisdictions.

5.5 Serving documents

- (a) Without preventing any other method of service, any document in any action may be served on the Issuer or a Holder by being delivered or left at their registered office or principal place of business.
- (b) For so long as the Notes issued by the Issuer are outstanding, the Guarantor will ensure that there is an agent appointed to accept service of process in Australia in respect of any legal action or proceedings as may be commenced by arbitration or brought in the courts of New South Wales or the Federal Courts of Australia.

5.6 Agent for service of process

- (a) The Guarantor appoints Dabserv Corporate Services Pty Limited (ABN 73 001 824 111) of Level 61 Governor Phillip Tower, 1 Farrer Place, Sydney NSW 2000, Australia as its agent to receive any document referred to in clause 5.5 (“Serving documents”).
- (b) If for any reason that person ceases to be able to act as such, the Issuer will immediately appoint another person with an office located in New South Wales to receive any such document and promptly notify the Registrar and the Holders of such appointment.

5.7 Waiver of immunity

To the extent that the Guarantor may claim for itself or its assets or revenues immunity from jurisdiction, enforcement, prejudgment proceedings, injunctions and all other legal proceedings and relief and to the extent that such immunity (whether or not claimed) may be attributed to it or its assets or revenues, the Guarantor agrees not to claim and irrevocably and unconditionally waives such immunity in relation to any Proceedings or Disputes. Further, the Guarantor irrevocably and unconditionally consents to the giving of any relief or the issue of any legal proceedings, including, without limitation, jurisdiction, enforcement, prejudgment proceedings and injunctions in connection with any Proceedings or Disputes.

Selling Restrictions

*Under the Dealer Agreement dated 7 April 2016 between the Issuer, the Arranger and the Dealers (as amended and supplemented from time to time, "**Dealer Agreement**"), the Notes will be offered by the Issuer through the Dealers. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more Dealers as a dealer for a particular Tranche of Notes or the Programme generally.*

Each Dealer has agreed under the Dealer Agreement to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells, or transfers Notes and to not directly or indirectly subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes in any jurisdiction, except in circumstances that will result in compliance by the Dealer with any applicable law.

Neither the Issuer nor any Dealer has represented that any Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale.

The following selling restrictions apply:

1 General

No action has been taken in any jurisdiction that would permit a public offering of the Notes or possession or distribution of the Information Memorandum or other offering material in any jurisdiction where action for that purpose is required.

Persons into whose hands the Information Memorandum comes are required by the Issuer and Dealers to comply with any applicable law and directive in each jurisdiction in which they purchase, offer, sell or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation required by them for the purchase, offer, sale or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales or deliveries, in all cases at their own expense, and neither the Issuer nor any Dealer has responsibility for such matters.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been or will be lodged with the Australian Securities and Investments Commission ("**ASIC**"). Each Dealer represents and agrees and each further Dealer appointed under the Programme will be required to represent and agree that, unless the relevant Pricing Supplement (or another supplement to any Information Memorandum) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or other offering material or advertisement relating to any Notes in Australia,

unless (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency) (disregarding moneys lent by the offeror or its associates) or the offer otherwise does not require disclosure to investors under Part 6D.2 of the Corporations Act 2001 of Australia, (ii) such action complies with applicable laws and

directives in connection with the subscription, offer, sale or transfer of Notes and (iii) such action does not require any document to be lodged with ASIC.

In addition, each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will comply with the directive issued by the Assistant Treasurer of the Commonwealth of Australia dated 23rd September, 1996 as contained in Banking (Exemption) Order No. 82 which requires all offers and transfers to be for a principal amount of at least A\$500,000. Banking (Exemption) Order No. 82 does not apply to transfers which occur outside Australia.

3 The United Kingdom

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 (“**FSMA**”) with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom; and
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer or Guarantor (if applicable).

4 The United States of America

Securities Act

The Notes and any guarantee thereof have not been and will not be registered under the Securities Act of 1933 (“**Securities Act**”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S, each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Notes

- (a) as part of their distribution at any time;
- (b) otherwise until 40 days after completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Tranche of which Regulation S Notes are a part,

within the United States of America or to, or for the account or benefit of, U.S. Persons.

Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to further represent and agree, that it will send to each dealer to which it sells any Regulation S Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Notes within the United States of America or to, or for the account or benefit of, U.S. Persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

5 Hong Kong

Each Dealer represents and agrees, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) the Notes have not been authorised by the Hong Kong Securities and Futures Commission;
- (b) it has not offered or sold, and will not offer or sell, in Hong Kong, by means of any document, any Notes other than:
 - (i) to “professional investors” as defined in the Securities and Futures Ordinance (Cap. 571) (as amended) of Hong Kong (“SFO”) and any rules made under the SFO; or
 - (ii) in other circumstances which do not result in the document being a “prospectus” as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) (as amended) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (b) unless it is a person permitted to do so under the applicable securities laws of Hong Kong, it has not issued or had in its possession for the purposes of issue, and will not issue, or have in its possession for the purposes of issue, (in each case, whether in Hong Kong or elsewhere) any advertisement, invitation, or other offering material or other document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” within the meaning of the SFO and any rules made under the SFO.

6 Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Act No. 25 of 1948) (“**Financial Instruments and Exchange Law**”) and, accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold, and will not offer or sell, any Notes directly or indirectly in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Law and any other applicable laws and ministerial guidelines of Japan.

7 New Zealand

This Programme is a wholesale programme. No action has been taken to permit the Notes to be offered or sold to any retail investor, or otherwise under any regulated offer, in terms of the Financial Markets Conduct Act 2013 of New Zealand (“**NZ FMCA**”). In particular, no product disclosure statement under the NZ FMCA has been prepared or lodged in New Zealand in relation to the Notes.

Each Dealer has represented and agreed that it has not offered or sold, and will not offer or sell, any Notes in New Zealand, other than to wholesale investors within the meaning of clause 3(2)(a), (c) or (d) of Schedule 1 of the NZ FMCA, which includes a person who is an “investment business”, “large”, or a “government agency”, in each case as defined in Schedule 1 to the NZ FMCA, provided (for the avoidance of doubt) that Notes may not be issued to any “eligible investor” (as defined in clause 41 of Schedule 1 to the NZ FMCA) or to any person who, under clause 3(2)(b) of Schedule 1 to the NZ FMCA, meets the investment activity criteria specified in clause 38 of that Schedule.

9 European Economic Area

In relation to each Member State of the European Economic Area (the “**EEA**”) which has implemented the Prospectus Directive (each a “**Relevant Member State**”), each Dealer has represented and agreed, and each further the Dealer appointed under the Programme and each other Dealer will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”), it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Information Memorandum as completed by the Pricing Supplement in relation thereto to the public in that Relevant Member State. As a result, the Notes may only be offered in the Relevant Member States:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or the Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including Directive 2011/73/EU) and includes any relevant implementing measure in each Relevant Member State.

Taxation

Australian Taxation

The following is a summary of certain Australian tax matters, at the date of this Information Memorandum, in relation to the Notes to be issued by the Issuer under the Programme and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

This summary does not consider the tax implications for persons who hold interests in the Notes through Austraclear, Euroclear, Clearstream, Luxembourg or another clearing system.

1. Interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as presently in effect:

- (a) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (b) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes; and
- (c) *other withholding taxes on payments in respect of Notes* - so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Australian Income Tax Assessment Act 1936 and section 12-140 of the Taxation Administration Act 1953 of Australia ("**Taxation Administration Act**") should not apply in connection with Notes issued by the Issuer; and
- (d) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the "supply withholding tax" imposed under section 12-190 of the Taxation Administration Act; and
- (e) *goods and services tax ("GST")* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply which is outside the scope of the GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

Cayman Islands Taxation

There are no income, corporation, capital gains or other taxes in effect in the Cayman Islands on the basis of present legislation. The Issuer received an undertaking dated 2 November 2010 from the governor-in-cabinet of the Cayman Islands, pursuant to the Tax Concessions Law (as revised) of the Cayman Islands, that for a period of 20 years from the date of grant of that undertaking no law which is enacted in the Cayman Islands imposing any tax to be levied on profits, income, gains or appreciation shall apply to the Issuer or its operation and in addition, that no tax to be levied on profits, income, gains or appreciations which is in the nature of estate duty or inheritance tax or other duty inheritance tax shall be payable on or in respect of the shares, debentures or other obligations (which include the Notes) of the Issuer or by way of the withholding in whole or part of any relevant payment. No capital or stamp duties are levied in the Cayman Islands on the issue, transfer or redemption of Notes. However, an instrument transferring title to such Notes, if brought to or executed in the Cayman Islands, would be subject to Cayman Islands stamp duty. An annual registration fee is payable by the Issuer to the Cayman Islands Registrar of Companies which is calculated by reference to the nominal amount of its authorised capital. At current rates, this annual registration fee is approximately U.S.\$853.66. The foregoing is based on current law and practice in the Cayman Islands and this is subject to change therein

The State of Qatar Taxation

The following is a summary of the principal Qatari tax consequences of ownership of the Notes by beneficial owners who or which are not incorporated in or residents of Qatar for Qatari tax purposes and do not conduct business activities in Qatar (“Non-Qatari Holders”). This summary of taxation in Qatar is based upon (i) the tax law of Qatar, (ii) the Executive Regulations thereunder and (iii) the practice that has been adopted and is applied by the Income Tax Department of the Ministry of Finance, each as in effect on the date of this Information Memorandum. The views expressed in this summary are subject to any subsequent change in Qatari law, regulations and practice that may come into effect as of such date.

Under current Qatari law, taxes are levied on a taxpayer’s income arising from activities in Qatar. However, payments made by the Issuer or the Guarantor to Non-Qatari Holders will not be subject to Qatari income taxes because such income tax does not apply to payments under the Notes made to Non-Qatari Holders.

The Income Tax Law and the Executive Regulations of the Income Tax Law issued in June 2011 provide that any payment of interest and fees made in relation to bonds issued by a Qatari corporate entity will be subject to withholding tax, which will include the Issuer as an entity managed from Qatar and therefore considered as tax resident in Qatar. However, the Executive Regulations provide for certain exemptions to such application of withholding tax. Paragraph 2 of Article 21.4 of the Executive Regulations provides that: “interest on bonds and securities issued by the State and public authorities, establishments and corporations owned wholly or partly by the State” shall not be subject to withholding tax. As the Issuer and the Guarantor are presently partly owned by the State, they will be exempt from the requirement to withhold tax. If the Issuer and/or the Guarantor cease to be partly owned by the State the exemption at Paragraph 2 of Article 21.4 of the Executive Regulations will cease to apply. The Guarantor would benefit from an exemption under Paragraph 3 of Article 21.4 of the Executive Regulations which provides that interest on transactions, facilities and loans with banks and financial institutions shall not be subject to withholding tax. Similarly, the Issuer would benefit from this exemption provided the interest is being paid to a bank or financial institution. However, the Issuer has agreed, and to the extent that the Guarantor may be called upon to perform its obligations under the Guarantee, the Guarantor has agreed, that all payments of principal and interest in respect of the Notes and/or the Guarantee will be made free and clear of withholding taxes payable in Qatar and the Issuer or QNB, as the case may be, will be required to pay additional amounts in respect of any such withholding or deduction imposed by or on behalf of Qatar in certain circumstances.

Non-Qatari Holders will not be subject to tax in Qatar on any capital gains derived from a sale of Notes. Under current Qatari law, no Qatari stamp duty will be imposed on Non-Qatari Holders either upon the issuance of the Notes or upon a subsequent transfer of Notes.
